WHAT YOU CAN EXPECT IN OUR SERVICE TODAY

EXCITING WORSHIP

The first part of our service is praise and worship. Every week, we come together and give thanks to God for all He has done for us. There are different expressions of worship; some people choose to lift their hands in surrender while others may stand quietly and reflect on God's goodness. Together, we'll sing songs as an act of worship to our great God.

EAGER GIVING

At Harvest Time, we believe in the power of giving back to God what He has already given us. We give out of obedience to what God commanded in the Bible, as well as in anticipation of the blessing that He promised (see Malachi 3:10). This morning, we'll have an opportunity to give back to God a portion of what He has already blessed us with.

EMPOWERING MESSAGE

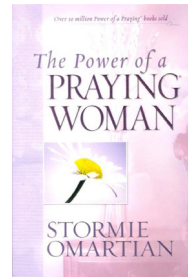

Also in today's service, we'll hear a relevant message from the Word of God. The teachings at Harvest Time are practical and relevant, and will give you direction and challenge you to live a life of purpose and faith. The Word of God has the power to change lives!

ENGAGING ATMOSPHERE

At Harvest Time, we love creating fun and friendly environments. Here are a couple more things you'll experience in today's service:

- **Nursery** - Have a nursery age child (birth - 4 years)? There's a nursery available during all our services for them, directed by a certified RN. You can have peace of mind knowing your child (or children) will be well taken care of while you're enjoying service.
- **Prayer for Needs** - During the service, there will be a moment to pray for your needs, as well as the needs of others across our church family. So if you have a prayer need - whether it's financial, relational, spiritual or any other "al" - we'd love to pray with you!
- **Response Time** - At the end of the message this morning, there will be an opportunity to respond. Whether you need to re-dedicate your life to Christ, make a first-time decision to make Jesus the Lord of your life or just receive prayer for what you learned during the message, you'll have the opportunity to respond to what God is speaking to your heart.
